PROFILE

I am a python software developer. I want to enhance my skill to join the company. I have learned some skills that I want to use that way I create new things and create something new.

EDUCATION

IPS College of technology & management

Gwalior, India

Bachelor of Engineering in computer science

2022 – 2022

- Among the top 10% of the batch
- Learned machine learning and deep learning for solving some real-world problems

SKILLS

Technical: Python, Machine Learning, Deep learning, NLP, HTML, CSS, JavaScript, Java, Flutter, C, C++, Statistics,

Tools: Computer vision, Python library

CERTIFICATIONS

- International conference of smart material ([link](#))
- C++ intern certificate ([link](#))
- NCC A certificate ([link](#))

EXPERIENCE

- Fresher

PROJECTS

Uniform detection with face

Jan/2025 – March/2025

- I detect the uniform with face and also mark the attendance of the student on the basis of uniform
- I used machine learning, Deep learning, Computer vision ([link](#))

Shooting Range Score Detection System

April/2025 – July/2025

- We have automated the system of scoring before this shooter checks the score manually
- I used machine learning, Deep learning, Computer vision, sensor, IOT hardware device
- Project is currently running in IPS college in Indore stadium

ACHIEVEMENTS

- I published research paper on Shooting range score detection system and I got best paper Award
- I am a CR of the class last three years to now.
- I have a NCC A certificate with (2mp air sqn ncc Bhopal)
